

# Each step you take lights more birthday candles.

**MAKING STRIDES**  
Against Breast Cancer®

In the fight against breast cancer, birthdays are signs of progress – and we want to see more of them. A world with more birthdays gets closer and closer at every Making Strides Against Breast Cancer event. Visit [cancer.org/stridesonline](http://cancer.org/stridesonline) to join us and help create more birthdays in your community. Together, we'll stay well, get well, find cures, and fight back.
